WHO WE ARE

Established in 2005, Garud Securities Pvt. Ltd. has maintained its leadership position in Nepal's security industry. We operate out of **12 office locations** monitoring deployments of over **4,700 personnel** in over **1,500 locations** in all **77 districts of Nepal** supported by a fleet of **10 patrolling vehicles** running over **25,000 KMs a month**, country wide network of over **450 VHF and POC radios** and a **24/7/365 operational control room** and standby quick reaction team (QRT).

With Garud not only are you in safe hands, but you're also associated with minds that strive for unparalleled security service excellence, fostering a peaceful living and working environment. Our success will be measured not by the clients we secure but by the lasting trust and peace of mind we provide in every service rendered.

OUR VISION

To become the security service provider of choice known for its reliability, trust and ability to provide peace of mind.

CLIENT SUCCESS STORIES

We have over 10 clients who have continually been with us since our first year of operation.

We have deployed over 90 guards across 19 locations for a large multinational at 48 hours notice due to an emergency situation they faced.

Over 50% of our clients have continually been with us over the last 10 years.

We have provided security to over 80% of all the large events of international stars held in Nepal.

We have successfully kept large multinationals and local businesses in operation during times they faced labour union problems or extortion threats till the time they were resolved.

QUALITY ASSURANCE PROGRAMS

Our quality assurance program at Garud is robust and comprehensive, built upon an integrated management system that adheres to three distinct standards:

ISO 18788:2015
(Security Operations
Management System)

ISO 9001:2015
(Quality Management
System)

ANSI/ASIS PSC-1:2012
(Quality Assurance
Management System)

These standards form the foundation of our commitment to excellence, ensuring that we consistently meet and exceed industry benchmarks for security services. We are the first and only company in Nepal and one of approximately 90 companies worldwide to adhere to these standards.
